

# *Sunset Gardens*

March 18th, 2020  
FOR IMMEDIATE RELEASE

To Our Brides, Grooms, and Community,

We have been committed to keeping our clients, coworkers, and loved ones informed about the situation revolving around COVID-19 (the Coronavirus), while doing our best to maintain our businesses' integrity. Since the start of this global pandemic, we have been taking guidance from the Centers for Disease Control & Prevention (CDC) and have been keeping up on the latest news to ensure that we're up-to-date and prepared for any further next steps.

Last night, Nevada Governor Steve Sisolak announced the closure of all non-essential businesses in the whole state of Nevada. This includes all of the hotels and casinos on the Strip and around the Vegas Valley and thousands of other small businesses that are a part of our Vegas community.

For public safety, we are committed to enacting Sisolak's announcement and have already begun the process of rescheduling our weddings for the remainder of March, April, and May.

We know this comes as a significant blow to all of us, as everyone has exercised as much patience and caution as possible to keep your events going. Trust me when we say this: this entire process has been emotionally difficult for us here at Sunset Gardens. We cannot imagine what this news means for you and your family during these uncertain times.

We are fully committed to keeping you healthy, and we feel that it is in our couple's best interest to move forward and prepare for these next steps to ensure public safety. While this comes as an unfortunate result of the current global pandemic, we believe that we will all grow from this, stronger than ever.

Even though our Storefront will be on lockdown due to this pandemic, we are **STILL OPEN**, 7 days a week, from 9am to 4:30pm.

We unfortunately will not be able to take any tours or walk-ins at this time, but we are still here to answer phone calls and emails and to be a resource for you all, just like normal. We are here for you - always.

If you have any questions or concerns, please give us a call (702-456-9986) or email us at [info @ sunsetgardens.com](mailto:info@sunsetgardens.com), and we'd be more than happy to help.

Stay safe out there,

Sunset Gardens Family
